**Gust Front, Second Edition Aug 15 2022** Now with all new content by John Ringo! The aliens had arrived With gifts, warnings, and an offer we couldn't refuse.... Our choice was simple: we could be cannon fodder, or we could be ... fodder. We could send our forces to fight and die (as only humans can) against a ravaging horde that was literally feeding on its interstellar conquests<sup>3/4</sup>or remain as we were<sup>3/4</sup>virtually weaponless and

third in line for brunch. We chose to fight. Thanks to alien technology and sheer guts, the Terrans on two worlds fought the Posleen to a standstill. Thank God there was a moment to catch our breath, a moment, however brief, of peace<sup>3/4</sup>. Now, for the survivors of the Barwhon and Diess Expeditionary Forces, it was a chance to get some distance from the blood and misery of battle against the Posleen centaurs. A blessed chance to forget the screams of the dying in purple swamps and massacres under searing alien suns. For Earth it was an opportunity to flesh out their force of raw recruits with combat-seasoned veterans. Political, military and scientific blundering had left the Terran forces in shambles-and with the Posleen Invasion only months away, these shell-shocked survivors might be the only people capable of saving the Earth from devastation. If the veterans had time to lick their wounds. Because the Posleen don't read schedules. At the publisher's request, this title is sold without DRM (Digital Rights Management).

Once an Eagle Aug 03 2021 "Once an Eagle is simply the best work of fiction on leadership in print." —General Martin E. Dempsey, 18th Chairman of the Joint Chiefs of Staff Required reading for West Point and Marine Corps cadets, Once An Eagle is the story of one special man, a soldier named Sam Damon, and his adversary over a lifetime, fellow officer Courtney Massengale. corridors of power. Beginning in the French countryside during the Great War, the conflict between these adversaries solidifies in the isolated garrison life marking peacetime, intensifies in the deadly Pacific jungles of World War II, and reaches its treacherous conclusion in the last major battleground of the Cold War—Vietnam. Now reissued with a new foreword by acclaimed historian Carlo D'Este, here is an unforgettable story of a man who embodies the best in our nation—and in us all.

mercenary tank regiment in a future not all that different from our present will rejoice [at the publication of] the entire series in three volumes. Drake, a Vietnam vet who served in the Blackhorse Regiment, uses prose as cold and hard as the metal alloy of a tank to portray the men and women of Hammer's Regiment. . . . **Hardwired** Oct 05 2021 ears ago, the last desperate hopes of Earth were crushed as corporate Orbital blocs ruling from on high devastated the planet's face.
