**THINGS FALL APART tells two overlapping,
intertwining stories, both of which center
around Okonkwo, a “strong man” of an Ibo**

village in Nigeria. The first of these stories traces Okonkwo's fall from grace with the tribal world in which he lives, and in its classical purity of line and economical beauty it provides us with a powerful fable about the immemorial conflict between the individual and society. The second story, which is as modern as the first is ancient, and which elevates the book to a tragic plane, concerns the clash of cultures and the destruction of Okonkwo's world through the arrival of aggressive, proselytizing European missionaries. These twin dramas are perfectly harmonized, and they are modulated by an awareness capable of encompassing at once the life of nature, human history, and the mysterious compulsions of the soul. THINGS FALL APART is the most illuminating and permanent monument we have to the modern African experience as seen from within. *Includes Practice Test Questions*** OAE Foundations of Reading Secrets helps you ace the OAE Foundations of Reading Test, without weeks and months of endless studying. This book contains the Driver's Handbook for issuance of license in the State of North Carolina "Ross Gay's eye lands upon wonder at every turn, bolstering my belief in the countless small miracles that surround us." —Tracy K. Smith, Pulitzer Prize winner and U.S. Poet Laureate The winner of the NBCC Award for Poetry offers up a spirited collection of short lyric essays, written daily over a tumultuous year, reminding us of the

purpose and pleasure of praising, extolling, and celebrating ordinary wonders. Ross Gay's *The Book of Delights* is a genre-defying book of essays—some as short as a paragraph; some as long as five pages—that record the small joys that occurred in one year, from birthday to birthday, and that we often overlook in our busy lives. His is a meditation on delight that takes a clear-eyed view of the complexities, even the terrors, in his life, including living in America as a black man; the ecological and psychic violence of our consumer culture; the loss of those he loves. Among Gay's funny, poetic, philosophical delights: the way Botan Rice Candy wrappers melt in your mouth, the volunteer crossing guard with a pronounced tremor whom he imagines as a kind of boat-woman escorting pedestrians across the River Styx, a friend's unabashed use of air quotes, pickup basketball games, the silent nod of acknowledgment between black people. And more than any other subject, Gay celebrates the beauty of the natural world—his garden, the flowers in the sidewalk, the birds, the bees, the mushrooms, the trees. This is not a book of

how-to or inspiration, though it could be read that way. Fans of Roxane Gay, Maggie Nelson, and Kiese Laymon will revel in Gay's voice, and his insights. The Book of Delights is about our connection to the world, to each other, and the rewards that come from a life closely observed. Gay's pieces serve as a powerful and necessary reminder that we can, and should, stake out a space in our lives for delight. *Includes Practice Test Questions*** North Carolina Foundations of Reading Test Secrets helps you ace the North Carolina Foundations of Reading Test, without weeks and months of endless studying. The 6th Edition of the FSI MFT Study Guide was updated to specifically cover the current AMFTRB Exam slated for each of the 12 testing windows in 2018 and beyond; the New 6th Edition contains the correct and accurate information about each of the Knowledge Domains that may appear on the Marriage & Family Therapy Licensing Exam. FSI's "Knowledge Domain-to-Chapter Map"

shows where in the Study Guide information can be found about each domain. As FSI hears of any changes to the exam, even after you have purchased the Home Study Program or Intensive Track, we will make the new content available to you via our eStudy site at a discounted price through our eStudy Program if you have purchased either the Home Study Program, eStudy Program or Intensive Track previously. As HIPAA has begun to appear more regularly on the exam, FSI has added an easy to understand HIPAA section in this new 6th Edition, as well as a chapter on Crisis Management and the DSM-5. Used by many COAMFTE Accredited MFT programs, the Study Guide serves as both a foundations and advanced theories text that will also successfully help you pass the AMFTRB National exam upon graduation. The Study Guide is a 600+ page hardbound book which concisely organizes the information most likely to be tested by the AMFTRB. The book presents this large body of knowledge in both a summary and more detailed form, emphasizing the most important concepts needed for the exam, in a very "user

friendly" format. It is designed with both recent graduates and the older, very experienced clinicians in mind. Increasingly, COAMFTE Accredited MFT Programs are using the FSI Study Guide in their Foundation Courses to meet the new national exam pass percentage requirements for maintaining accreditation.

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.
