Volume 2 picks up immediately after the events of Volume 1 (spoilers ahead): Jen and Marlowe are on the run from MilSec and the contestants on United America's Next Top Solider. They have to find the evidence that exonerates Marlowe -- not just to clear her name, but to free her father as well. Help shows up in the form of the mysterious Judge and his supporters, The Sovereign. Meanwhile, the President of the United American State, Stephen Cook, has found himself at odds with the corporation his family started and he once helmed. His autonomy as President is being challenged at every turn. The entire country has taken notice and tuned in to every Feed on the net, keeping track of the events as they unfold -- and they aren't disappointed, as Marlowe her toughest opponent yet -- It's just too bad she can't see what (or who) it is... This eBook contains Book 1, Volume 2 (chapters 11-18) for easy reading in your reading platform of choice. Read new chapters of the Marlowe Kana series for free at the website -- a new chapter is published every Monday! Do you want to stop worrying, but don't know how? Expert counselor Dr. Norm Wright provides practical advice on how to spot, face, and conquer fear in this easy-to-understand book. His down-to-earth, practical advice backed by over four decades of Christian counseling experience will help you successfully combat negative thought patterns with the Word of God and effectively maintain a positive outlook on life through prayer and positive self-talk. Includes clear explanations and practical advice on how to stop worrying. When anxiety robs you of sleep, when worry saps your energy,

and when fear captivates your thoughts, it is easy to feel helpless. But you do not have to remain a prisoner of fear, anxiety, or stress any longer. • Find out the difference between helpful and unhelpful fear • Recognize the true causes of fear and how to overcome them • Learn practical ways to break patterns and habits of anxiety and worry • Discover your source of peace, security, and freedom See how the fear of rejection, fear of failure, and even our genetics can impact whether or not we worry about a situation. Then, discover how the Word of God, prayer, and a positive outlook can help you break that pattern of fear. Perfect for—

- Personal use/growth • To give to someone who is struggling with fear and anxiety • Ministry training tool • Christian counseling resource • Supplemental information for a Bible study on fear, worry, or anxiety.**

Foolproof recipes for homemade ice cream from best-selling author and "diva of desserts" Rose Levy Beranbaum With Rose's easy-to-follow, meticulously tested, and innovative recipes, perfect ice creams and other frozen treats are simple to churn up anytime. Here she gives her foolproof base method, plus all the tips and info you need to know--on machines, ingredients, techniques, and her own unique approaches and discoveries (for example, an easier method of mixing custard bases without needing to "temper" them; how to make a substitution for glucose by microwaving corn syrup; and how adding milk powder can help prevent ice crystals). Flavors include classics and new twists, including Lemon Ginger, Peanut Butter and Chocolate Fudge, Back Road Mint Chocolate Chip, Brown Sugar with Black Pepper, Roasted Corn, and Red Wine, plus mix-ins, toppings, and "ice cream social" desserts like waffle cones, ice cream sandwiches, brownies, ice cream cake, and more. Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle. Saving the human race before it exists... The mission: Find a scientist missing in the Cretaceous period 125 million years in the past. But there are questions. Was his disappearance an accident? Or intentional? For TPC Agent Rose Sprucewood, the questions aren't important. What matters is efficiently completing her last official mission by-the-book before she retires from the Temporal Protection Corps. But it's harder to follow the rules when trapped in the past. And the hazards of prehistoric earth aren't the only risks. When Rose and fellow agent Richard Kern discover evidence of a conspiracy, they learn the most dangerous predator of all is their own species. * An exciting time travel adventure, "The Forest of Time" is a Temporal Protection Corps prequel novella, complete with danger, intrigue... and dinosaurs! A collection of thirteen award-winning, science fiction tales that inspired motion pictures and television programs includes one by Philip K. Dick that became Minority Report, another by Clive Barker that became Candyman, and William Gibson's Johnny Mnemonic. Reprint. Instant #1 International Bestseller "Cue greed, lust, secrets,**

and serious suspense. Count us in.”—theSkimm “An insanely plotted book...riveting.”—The New York Times Book Review Written with the chilling, twisty suspense of *The Wife Between Us* and *Something in the Water*, a seductive thriller about identical twins, greed, lust, secrets, and deadly lies. Twin sisters Iris and Summer are startlingly alike, but beyond what the eye can see lies a darkness that sets them apart. Cynical and insecure, Iris has long been envious of Summer’s seemingly never-ending good fortune. When Summer calls Iris to Thailand to help her sail the family yacht to the Seychelles, Iris has secret hopes for what might happen on the journey. But after a disturbing incident in the middle of the Indian Ocean, everything changes. Now Iris has the chance to step into the golden life she’s always envied—and get one step closer to the hundred-million-dollar inheritance left by her manipulative father. All Iris would need to do is ensure she’s the first of his seven children to fulfill the strange conditions of his will. But Iris soon discovers that her twin was keeping more than one secret, and Iris’s life lurches between glamorous dream and paranoid nightmare. In a family in which the winner takes all, whom can she trust? And how far will she go to get the life she’s always dreamed about? **“Ferociously entertaining. A novel like a triathlon: part evil-twin thriller, part howdunit (or did-she-do-it?), part juicy family drama. Drop Knives Out and Double Indemnity into the blender, shake some Dead Calm over the froth, power it on, and you’ve got a cocktail like The Girl in the Mirror—fresh, flavorful, and utterly intoxicating.” —AJ Finn, #1 New York Times bestselling author of The Woman in the Window** **“Complementary translations encourage in-depth study of the Scriptures” Bible study leaders, Scripture students, preachers, and people curious to see their favorite biblical texts in different translations will benefit from this volume. The same set of verses from both the NKJV and the Amplified Bible appear in side-by-side columns on each page, making for effortless verse comparison. And, readers will appreciate this edition’s easy-to-read type, which is larger than that used in other parallel Bibles. FEATURES - 9.4 point type - Black letter text NEW KING JAMES VERSION Completely updated, this translation remains faithful to the accuracy and beauty of the KJV, yet uses contemporary, readable language. AMPLIFIED BIBLE Displaying additional words that communicate shades of meaning in the original text, this translation expands the reader’s understanding of the Scriptures. From Simon & Schuster, *Microcosm* is the provocative national bestseller by the author of *Wealth and Poverty*. George Gilder’s *Microcosm* is the crystal ball of the next technological era. Leading scientists, engineers, and entrepreneurs provide vivid accounts of the latest inventions, revealing how the new international balance of power really lies in information technology. *Four boys. One band. No Chance.* Chris and George are best friends, and they want to be rockstars. Unfortunately, a childhood spent playing in the school orchestra and listening to Jimmy Nail has left them a little fluffy around the edges, and at the age of 23, their acoustic duo *Satellite* doesn’t resemble Bon Jovi nearly as**

much as they'd planned. So how do two ordinary boys from a sleepy village go about taking on the cut-throat world of rock 'n' roll? They're just going to have to fake it. True to life, funny and uplifting, Mockstars is a coming-of-age story about friendship and chasing the rock 'n' roll dream. Inspired by the real-life tour diaries of the author's band The Lightyears, Mockstars is a refreshingly different musical odyssey. Praise for Mockstars: 'Very funny... Induced three inner chuckles and one belly laugh in just over four minutes.' Kevin Sampson, author of Powder 'Finally, a rock 'n' roll novel that people can properly relate to.' Ciaran Jeremiah, The Feeling 'Hilarious – it's The Inbetweeners meets Spinal Tap!' Alex Marsh, author of Sex & Bowls & Rock and Roll What readers are saying about Mockstars: '...for all the folk I annoyed the hell out of with explosive laughter and giggling – I recommend that you read this in public and get your own back.' 'A really honest and amusing account of the camaraderie between the band members. A great read, funny yet poignant.' 'The new Bridget Jones brought to life in a male, aspiring rock star from the home counties. Littered in equal measure with laugh out loud and hide under the covers, did he really write that?, moments.' 'Very, very funny book. I had to stop reading it on the train as I was in a quiet compartment.' 'If Richard Curtis and Douglas Adams got together and wrote a book about a struggling rock-band you'd get this. Fast paced, brimming with charm and frankly hilarious. I laughed so hard I coughed tea through my nose and nearly ruined my iPad.' Paradise is a garden...but heaven is a city. From the acclaimed author of Take This Bread and Jesus Freak comes a powerful new account of venturing beyond the borders of religion into the unpredictable territory of faith. On Ash Wednesday, 2012, Sara Miles and her friends left their church buildings and carried ashes to the buzzing city streets: the crowded dollar stores, beauty shops, hospital waiting rooms, street corners and fast-food joints of her neighborhood. They marked the foreheads of neighbors and strangers, sharing blessings with waitresses and drunks, believers and doubters alike. CITY OF GOD narrates the events of the day in vivid detail, exploring the profound implications of touching strangers with a reminder of common mortality. As the story unfolds, Sara Miles also reflects on life in her city over the last two decades, where the people of God suffer and rejoice, building community amid the grit and beauty of this urban landscape. CITY OF GOD is a beautifully written personal narrative, rich in complex, real-life characters, and full of the "wild, funny, joyful, raucous, reverent" moments of struggle and faith that have made Miles one of the most enthralling Christian writers of our time. Contains alphabetical lists of flowers and the meaning associated with them. Hostile aliens take an Earth colony hostage in this New York Times–bestselling hard science fiction adventure by the author of Startide Rising. Although they were uplifted and given full sapience, the Bururalli clearly weren't ready to run a planet, almost wrecking Garth. As a "salvage world," it was given to despised Earthlings, assigned to reclaim it from the brink. Many

senior Galactics—leaders of the Five Galaxies—hoped humanity would fail. But now Garth is peacefully surging back, tended by human and neo-chimpanzee colonists. Meanwhile, enemies desperately seek some way to coerce Earthclan, looking for a possible answer to the secret of the Progenitors. One of them—the Gubru avian race—prepares to invade and hold hostage defenseless Garth. With Earth itself under attack by other militant forces, no relief is coming for the embattled colonists. If they are to survive, they have no choice but to band together, improvise, and learn the tactics of guerilla warfare. This ebook features a new introduction by the author. Winner of the Hugo Award “An exhilarating read that encompasses everything from breathless action to finely drawn moments of quiet intimacy. There is no way we can avoid coming back as many times as Brin wants us to, until his story is done.” —Locus “Shares all the properties that made Startide such a joy. The plot fizzles along . . . and there are the wonders of the Galactic civilizations (which have all the invention and excitement that SF used to have).” —Asimov’s Science Fiction “The Uplift books are as compulsive reading as anything ever published in the genre.” —The Encyclopedia of Science Fiction

What happens when a former Zen Buddhist monk and his feminist wife experience an apparition of the Virgin Mary? “This book could not have come at a more auspicious time, and the message is mystical perfection, not to mention a courageous one. I adore this book.”—Caroline Myss, author of Anatomy of the Spirit Before a vision of a mysterious “Lady” invited Clark Strand and Perdita Finn to pray the rosary, they were not only uninterested in becoming Catholic but finished with institutional religion altogether. Their main spiritual concerns were the fate of the planet and the future of their children and grandchildren in an age of ecological collapse. But this Lady barely even referred to the Church and its proscriptions. Instead, she spoke of the miraculous power of the rosary to transform lives and heal the planet, and revealed the secrets she had hidden within the rosary’s prayers and mysteries—secrets of a past age when forests were the only cathedrals and people wove rose garlands for a Mother whose loving presence was as close as the ground beneath their feet. She told Strand and Finn: The rosary is My body, and My body is the body of the world. Your body is one with that body. What cause could there be for fear? Weaving together their own remarkable story of how they came to the rosary, their discoveries about the eco-feminist wisdom at the heart of this ancient devotion, and the life-changing revelations of the Lady herself, the authors reveal an ancestral path—available to everyone, religious or not—that returns us to the powerful healing rhythms of the natural world. Never Come Morning is unique among the novels of Algren. The author’s only romance, the novel concerns Bruno Bicek, a would-be boxer from Chicago’s Northwest side, and Steffi, the woman who shares his dream while living his nightmare. “It is an unusual and brilliant book,” said The New York Times. “A bold scribbling upon the wall for comfortable Americans to ponder and digest.” This new edition

features an introduction by Kurt Vonnegut, Jr. and an interview with Nelson Algren by H.E.F. Donohue. Alex Cross faces a D. C. bomb threat, the Women's Murder Club investigates a millionaire's death, and Michael Bennett hunts down a Thanksgiving Parade attacker in this collection of detective novels. Detective Cross: An Alex Cross Story: An anonymous caller has promised to set off deadly bombs in Washington, DC. A cruel hoax or the real deal? By the time Alex Cross and his wife Bree uncover the chilling truth, it may already be too late . . . The Medical Examiner: A Women's Murder Club Story (with Maxine Paetro): A woman checks into a hotel room and entertains a man who is not her husband. A shooter blows away the lover and wounds the millionairess, leaving her for dead. Is it the perfect case for the Women's Murder Club -- or just the most twisted? Manhunt: A Michael Bennett Story (with James O. Born): Someone attacked the Thanksgiving Day Parade right in front of Michael Bennett and his family. The news called it "holiday terror" -- Michael Bennett calls it personal. The hunt is on . . . The Sunday Times bestselling edition of Chips Channon's remarkable diaries. Born in Chicago in 1897, 'Chips' Channon settled in England after the Great War, married into the immensely wealthy Guinness family, and served as Conservative MP for Southend-on-Sea from 1935 until his death in 1958. His career was unremarkable. His diaries are quite the opposite. Elegant, gossipy and bitchy by turns, they are the unfettered observations of a man who went everywhere and who knew everybody. Whether describing the antics of London society in the interwar years, or the growing scandal surrounding his close friends Edward VIII and Wallis Simpson during the abdication crisis, or the mood in the House of Commons in the lead up to the Munich crisis, his sense of drama and his eye for the telling detail are unmatched. These are diaries that bring a whole epoch vividly to life. A heavily abridged and censored edition of the diaries was published in 1967. Only now, sixty years after Chips's death, can an extensive text be shared. _____ 'Chips perfectly embodied the qualities vital to the task: a capacious ear for gossip, a neat turn of phrase, a waspish desire to tell all, and easy access to the highest social circles across Europe.[...] Blending Woosterish antics with a Lady Bracknellesque capacity for acid comment. Replete with fascinating insights.' Jesse Norman, Financial Times

NEW YORK TIMES BESTSELLER • Turn: Washington's Spies, now an original series on AMC Based on remarkable new research, acclaimed historian Alexander Rose brings to life the true story of the spy ring that helped America win the Revolutionary War. For the first time, Rose takes us beyond the battlefield and deep into the shadowy underworld of double agents and triple crosses, covert operations and code breaking, and unmask the courageous, flawed men who inhabited this wilderness of mirrors—including the spymaster at the heart of it all. In the summer of 1778, with the war poised to turn in his favor, General George Washington desperately needed to know where the British would strike next. To that end, he unleashed his secret weapon: an unlikely ring of

spies in New York charged with discovering the enemy's battle plans and military strategy. Washington's small band included a young Quaker torn between political principle and family loyalty, a swashbuckling sailor addicted to the perils of espionage, a hard-drinking barkeep, a Yale-educated cavalryman and friend of the doomed Nathan Hale, and a peaceful, sickly farmer who begged Washington to let him retire but who always came through in the end. Personally guiding these imperfect everyday heroes was Washington himself. In an era when officers were gentlemen, and gentlemen didn't spy, he possessed an extraordinary talent for deception—and proved an adept spymaster. The men he mentored were dubbed the Culper Ring. The British secret service tried to hunt them down, but they escaped by the closest of shaves thanks to their ciphers, dead drops, and invisible ink. Rose's thrilling narrative tells the unknown story of the Revolution—the murderous intelligence war, gunrunning and kidnapping, defectors and executioners—that has never appeared in the history books. But Washington's Spies is also a spirited, touching account of friendship and trust, fear and betrayal, amid the dark and silent world of the spy. Three days. That was all the reprieve we got before one of the Five showed up, injured and on the run. The snowstorm that had encased the property, as well as stifled the town, hadn't even melted away. That wounded prey led our newest adversary directly to me, to Christopher. Inconvenient timing, but not unexpected. It was the betrayal forcing me to stay my hand against that adversary that shocked me. Betrayal from the least likely of sources. Or so I would have thought. But that didn't change who I was, and what I would do to preserve a life I loved, people I cherished. I wasn't so easily broken. But that didn't mean I couldn't be hurt, couldn't be pulled apart. Unraveled. And if I managed to put the pieces back together? I wasn't certain who I'd be on the other side of it all. Friend? Lover? Killer? Emma or Amp5? Or was it possible to be all those things at once? -----

Mystics and Mental Blocks by Meghan Ciana Doidge is the third book in the Amplifier series, which is set in the same universe as the Dowser, Oracle, Reconstructionist, Archivist, and Misfits of the Adept Universe series. Reading Order · The Amplifier Protocol (Amplifier 0) · Close to Home (Amplifier 0.5) (bundled with A0) · Demons and DNA (Amplifier 1) · Bonds and Broken Dreams (Amplifier 2) · Mystics and Mental Blocks (Amplifier 3) · Idols and Enemies (Amplifier 4) · The Music Box (Amplifier 4.5) (bundled with A4) · Instincts and Impostors (Amplifier 5) · Recon Mission: Bee (Amplifier 5.5)

Charles Robert Maturin's last novel, The Albigenses (1824), a historical romance of the early 13th century, is a rich tale of the conflict between the Catholic church and the Albigenses, a heretical sect centered in Languedoc. Its historical background does little to inhibit Maturin's strong penchant for extravagant scenes of violence, horror, and vivid evocations of nature at its least benign. His many characters people a well-plotted story of impressive density—the heroine, Genevieve, kind hearted, bold, true to her creed; the ruthless bishop of Toulouse;

*churchmen and women, of varying degrees of piety; maniacal harridans, formidable outlaws, and knights in armor. The Albigenses received, in general, better reviews than most of his other works, mainly because of its relatively reduced emphasis on blasphemous doings, but the reputation of Melmoth the Wanderer soon overshadowed it. This new edition of The Albigenses aspires to renew interest in the Irish master's final elaborate and engrossing tale. I knew that opening the letter from the sorcerer Azar would have deadly consequences. So we had prepared. We'd planned. We knew we might have to defend ourselves, our freedom. And that I might finally get a chance to exact the revenge I kept telling myself I wasn't interested in exacting. What we didn't know was that we'd find ourselves hosting a dysfunctional family reunion — the kind where everyone tries to kill someone at least once over dinner. Sorcerers and witches. With me in the middle. Mediating. I could wipe a small city from the face of the earth. I could vanquish a horde of demons with only two shortswords. I could infiltrate a magically fortified compound without detection, stand against black witches, and defy even those capable of manipulating minds. What I couldn't do was mediate a family squabble that stretched back decades, replete with kidnapping, magical coercion, and rape. Or I couldn't mediate with words, at least. Thankfully, though, draining everyone of their magic was always an option. *** Author's Note: Idols and Enemies is the fourth book in the Amplifier Series, which is set in the same universe as the Dowser, Oracle, Reconstructionist, Archivist, and Misfits of the Adept Universe series. It also includes the short story, The Music Box (Amplifier 4.5). Reading Order · The Amplifier Protocol (Amplifier 0) · Close to Home (Amplifier 0.5) (bundled with A0) · Demons and DNA (Amplifier 1) · Bonds and Broken Dreams (Amplifier 2) · Mystics and Mental Blocks (Amplifier 3) · Idols and Enemies (Amplifier 4) · The Music Box (Amplifier 4.5) (bundled with A4) · Instincts and Impostors (Amplifier 5) · Recon Mission: Bee (Amplifier 5.5) This follow-up devotional to the New York Times bestseller Keep It Shut takes a deeper look at the advice and commands of Scripture concerning the tongue, offering practical how-to's that will inspire you to use your words to build, bless, encourage, and praise. Each day we speak thousands of words in dozens of places. One thing is certain about the words we speak, type, and text: they are powerful, and they have consequences. They can impart love and life or deliver discouragement and defeat. No wonder Scripture contains more than 3,500 verses about the power of the tongue. This devotional will take you on a journey over the next forty days to learn to choose and use your words wisely--saving you a boatload of regret and wounded relationships. Each of the forty interactive entries includes a Scripture-verse focus for the day, a story or teaching point, and reflection questions. Each entry ends with both an action that will help you carry out the directive in the verse and a prayer prompt. The entries in Zip It build upon each other, equipping you with new tools for how--or how not--to use your words. Ultimately, Zip It will challenge you to use your mouth with godly*
