Or at least he thinks of himself that way. His mother died giving birth to him, and based on how Sunny’s dad treats him—ignoring him, making Sunny call him Darryl, never “Dad”—it’s no wonder Sunny thinks he’s to blame. It seems the only thing Sunny can do right in his dad’s eyes is win first place ribbons running the mile, just like his mom did. But Sunny doesn’t like running, never has. So he stops. Right in the middle of a race. With his relationship with his dad now worse than ever, the last thing Sunny wants to do is leave the other newbies—his only friends—behind. But you can’t be on a track team and not run. So Coach asks Sunny what he wants to do. Sunny’s answer? Dance. Yes, dance. But you also can’t be on a track team and dance. Then, in a stroke of genius only Jason Reynolds can conceive, Sunny discovers a track event that encompasses the hard beats of hip-hop, the precision of ballet, and the showmanship of dance as a whole: the discus throw. But as he practices for this new event, can he let go of everything that’s been eating him up inside?

The Curious Incident of the Dog in the Night-Time May 19 2020 A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.
