*Soul Rest Jul 12 2022 Celeste has worked hard to establish her freelance
blog as a source of accurate crime news for the Baton Rouge area. Being a
workaholic, focusing solely on her career, was her choice. Five years ago, she
had a life-changing experience in a BDSM club that made it clear she is a
submissive, but she believes her past makes embracing that path impossible.
Then Sergeant Leland Keller walks into her life. He's the Dom she's always*

feared and hoped she'd meet, and he recognizes her as what he's been looking for as well. But she fights submission as much as she longs for it. Leland always thought he was looking for a docile, sweet-natured sub, but the heart wants what it wants. He can tell Celeste is aching for love and surrender. Having served in the military and now as a patrol sergeant in one of Baton Rouge's most dangerous districts, he doesn't shy from a challenge. His job is to protect and serve. He's not going to let her down.

A man, who with the blink of an eye, is right in front of her... After their encounter, Cass enters Lucas's life again. This time, she's part of a negotiating team on a three-day business deal. She's also not about to let any man control her. Now Lucas must use every strategy he knows to prove his love before she's gone from his life again. Reports to the Board of Directors of the Mutual Benefit Life Insurance Company, 1901 (Classic Reprint) Nov 23 2020 Excerpt from Reports to the Board of Directors of the Mutual Benefit Life Insurance Company, 1901 By Resolution of the Board, of the thirty first of January last, the Mathematician was given leave of absence for a visit to England, and was requested to examine, on behalf of the Company, into the subject of Life Insurance there, the condition and experience of the Companies, and collect such information and materials and purchase such books on life insurance for the Company as he might be able. In pursuance of such permission and request. I sailed from New York on the seventh of April, and returned - after some detention by an accident on the voyagch-ou the twenty-sixth of July - too late by a few days to be present in that month at the meeting of the Board. By the invitation of the President, I am happy to avail myself of the earliest opportunity now afforded, to say some thing of my trip, and particularly of the matters mentioned in the resolution.
