Pepper Martin, now Community Relations Director of Garden View Cemetery, is contacted by the ghost of Eliot Ness, one of Cleveland's most famous dearly departed. According to Ness, the ashes scattered at the ceremony twenty years earlier weren't his. His were stolen prior to the ceremony by a Ness groupie, and he cannot rest until those ashes are found. Luckily, Pepper has an idea where they may be. Knowing she'll have no peace until she does what the ghost wants, Pepper travels across town to retrieve the ashes. When she gets there, though, she finds more—and less—than she bargained for. There is a dead body in the house...and Eliot Ness's ashes have vanished. Now Pepper must solve a murder. But when a mysterious package arrives for her containing the spirit of Al Capone, and her boyfriend Quinn begins acting strange, things go from bad to worse... At her wits' end, she stumbles into this Bear Shifter's arms... Kirsty Fox has never shied away from a challenge. The kindergarteners she taught at school knew she was fierce, and she

couldn't let them down. Sometimes that meant pushing yourself to the extreme by running 27 miles along canyons in Big Bend National Park. Exhausted from the strain and heat, she plods to bring one foot in front of the other as the world suddenly spins around her. Samuel Brooks had a plan for his day off. He'd go out to his favorite canyon, kick back in a folding chair and enjoy a beer with the crickets and the warblers. Of course, plans have a way of going sideways once other people get involved. Mix in some fainting and hyperthermia in this desolate wilderness, and you can kiss your day off goodbye! Every Monday in 2019 I'll be releasing a brand new novella for you to gobble up! Collect all the Shifter Babies of America series and enjoy a nice little one-sitting story! A woman, wounded. A Bear Shifter, hiding from his past. In a world shattering around them, will their love be able to hold them together? Dean Ward knew the truth. Everyone else in society always took everything for granted: their technology, their government, and their fellow man. As a Bear Shifter, he knew how fast humans could turn on you, how fast they could blame you. So he left society and decided to prepare for the end he knew was coming. He had everything he needed, but when the nuclear armageddon begins, what good does the truth do you? Gina Flynn's world ended, not with a bang but with a low rumble. Fleeing from an empty hospital built to withstand a nuclear blast, she saw thousands of people desperate to escape their doom. Barely escaping with her life, she watches as her car careens off a mountain road before losing consciousness. Little did she know her ordeal was only just beginning. When two students go missing during a hike, Caleb Harris and his closest friend Grant are brought in to lead the search team. But they find a lot more than they expect. When Grant disappears, Caleb finds himself a suspect in a murder case beyond his wildest imagination. Teamed up with his estranged wife, Caleb sets out to seek the answers to all the mysterious disappearances—until the unthinkable happens. The life she was always meant to live. A bittersweet return home has Alice questioning everything she knew growing up. She still hurt from being disowned by her father, and the painful confrontation with him re-opens old wounds. His illness means she doesn't have much time left to mend whatever is left of their relationship. But things get even more complicated when two childhood friends (who are now grown men) compete for her affections. When she finally thinks she has a grasp on what's going on, Alice has to face the reality that her father's illness isn't an accident, and the cause may be closer than she can imagine! Mandy Johnson knew that family was the most important thing in the world. Her mom was battling cancer, so she quit her job and moved across the country to help care for her. She loved her old job, but now she would sell her scented soaps and lotions at the local farmer's market while her mother got better. Memories of her old home hit hard, but not as hard as the old crush she used to have... Chris

Perez had seen his town change a lot, but the change wasn't always for the better. He missed the old places and the old traditions. That's probably why he found himself drawn to running the farmer's market. But most of all he missed the people from his past. He never thought he'd see Mandy again in his life, but as soon as he saw her, his inner wolf took notice. Every Monday in 2019 I'll be releasing a brand new novella for you to gobble up! Gizmo Martinez had long since dedicated his life to the Demented Souls and what the club meant. This was no life for a wife or family, and he knew it. But when her sweet charm pulls at something deep inside, can he walk away? Jill wants something more than her work and video games. What she needs is something or someone to add some excitement. Maybe the tattooed man who ran into her, literally, in the grocery store is just the one to show her another side of life? When club business comes between them, can Gizmo and Jill find away over the problem or will the cost be too steep? If you like steamy romance filled with intrigue and danger, one click Gizmo today! "Gizmo" is the GI term for the unidentifiable -- and that's the way that Toddy Kent has begun to think of the reasons behind the rapid swing of his days. Somehow, Kent seems always to find himself regularly confronted with The Big Break every man would kill for -- only to see it slip through his fingers. Kent's grinding out a paycheck buying gold on the cheap and selling it for the slimmest of profits when he stumbles into his latest, almost mythical discovery -- pure, unadulterated gold in the form of a priceless watch he didn't exactly mean to steal. Soon Kent finds himself at the center of a whirlwind of danger involving everyone from the woman he can't seem to shake, bail bondsmen who get word of Kent's discovery, the Treasury Department, his pawnbroker, and a devious old man with a dog that may or may not be able to speak English, in a rip-roaring comedy of errors and would-you-believe-it bad luck unlike anything you've ever read. Who ever knew one lousy watch could bring so much trouble? And how many times can Kent avoid getting killed before his luck runs out for good? Whether it's the pull or

the push, the universe will put you where you need to be... Esmeralda can still remember that night over a year ago, when she fell asleep in his arms and knew that she had finally found home. Of course, it didn't work out that way, and shortly after she was alone again. She'd only been with him for a few months, but it was long enough for her to get pregnant. When her baby Sofia started showing signs that she was something more than the average baby, Es knows what she has to do. Matt wasn't a proud man. He did important work, tracking down threats to Shifters like himself and eradicating them. For the past year he's been pursuing the source of a poison designed to wipe out Shifters. His work meant he couldn't settle down, despite the temptation. But when the trail brings him back to familiar territory, the appearance of someone from his past reignites questions within him... While most girls were playing dolls or dress up, she was playing with her brothers in the back yard, pretending to save people from burning buildings. Firefighting is in

her blood, passed down from generation to generation. So when she gets the chance to finally get into the academy to become a firefighter, she doesn't hesitate. After her older brother is killed in a burning building, she becomes more determined than ever. She'll be just as successful as her two brothers ahead of her, her father, and her grandfather. Just because she's a girl doesn't change a thing. However, there's one person standing in her way of becoming the greatest. Chief Maddox Lancaster. The dangerously sexy, arrogant as hell fire chief seems to be throwing one obstacle after another at her, but she won't let him stop her. It doesn't matter if the smoldering looks he slides her way are hotter than a five alarm fire. Maddox Lancaster is more dangerous than any burning building—can Lucy take it? These Bear Shifters fight hard and play harder! The Shifter Football League Box Set is here! Contains the following novels: Gabriel: Gabe Randall was at the peak of his college football game when bureaucrats stole his future. Shifters were no longer allowed to compete in human sporting events, so his only hope was a new football league just for them. Just as he's getting ready to join a new team in this league, his whole world comes crashing down when tragedy strikes his family. Without hope or direction, he turns to alcohol. He finds comfort in the arms of a woman who he felt a real connection to, but he left before he could drag her down. Carolyn knew how these one night stands worked, but it still hurt when Gabe walked out of her life. Just as she was about to get things back on track, she finds out she's pregnant. Will she ever even see Gabe again, and can she even be sure that he is the father to her unborn child? Fate isn't done with these two... Kenny: Over six feet of shredded muscle was all Kenny needed to dominate on the football field and destroy his opponents. On the field, his hard work and determination paid off. Off the field, his life was a train wreck. He had the fame, the money and the allure that being a championship Shifter Football star granted, but it wasn't enough. All he wanted was the kind of intimate connection that always seemed to be out of his grasp. Right as he hit rock bottom, a chance encounter brings someone new into his life... Kenny has no choice but to strive for success on the field and fight for whom he loves off the field, even if it rips his team apart.

Dustin: Dustin was a running back. He was also a planner, cool and careful. But some things in life you can't plan for... Dustin Perry knew what making this team would do for his career. Everything was carefully planned and put into place. Sure, it was only semi-pro but it was still a stage and Dustin flourished in the spotlight. By the end of the season, everyone would be speaking his name, wondering how high his shooting star would go. But Fate would bring someone special into his life, something no one could have planned for... Contains the following novels: Legacy:Korrin just wanted to drink whiskey and get away from his family. He didn't want the prestige of being the Romani Traveler King's son, to say nothing of the responsibility. But where there is power, there are people willing to go anything to keep (or steal) it. And soon he wouldn't have any choice in the matter... Kris couldn't believe she had a one night stand with the tall, dark and handsome guy with those gorgeous golden

eyes. They couldn't have really been golden, right? No matter that now, all that mattered was the tiny life she was now carrying, and how that would turn her world upside down. She had no idea how right she was. Prophecy:Korrin and Kris have to deal with threats from both without and within as they bring their Shifter Kingdom into the 21st century. Enemies along the borders see opportunities to strike. Schemers from within sense division and begin to plot. Korrin is an unpopular ruler with unpopular ideas. And aside from all that, Kris had something important to deal with. Her parents were coming to visit. Destiny: No matter what decision Korrin makes, it's the wrong one. Friends are fewer and fewer, and allies become distant. Kris is patient and does her best to be supportive, but can they truly bridge the separation between Shifter and human? Can they ever really understand one another? With their baby on the way, their actions and decisions are more important than ever! This box set contains the following novellas: The Baby Shift: North Dakota His wolf can sense her, but is he worthy of her? Forget what anyone tells you: the holidays are hell. Bickering family members, rushed shopping and every woman stressing over setting the perfect holiday spread. Ginger knew this full well as she struggled to keep her cakes and pastries in stock. It was a good problem to have, but lately it seemed like all she had were problems. But just when you think you have life figured out, six feet of the right kind of problem walks in the door. Now there's a problem I'd like to tackle....

Wait, what's going on with his eyes? Jack is on the hunt. Not for an enemy, and not for the delicious moose he sometimes indulges in back home in Alaska. What's brought him to Gray Creek, ND is his idiot brother. Who travels across the country to get involved in something that doesn't concern him? His brother, Connor, that's who. But before he can grab Connor and drag him back to Alaska, he meets her, and she's something fierce. The Baby Shift: Colorado This cougar stalks his prey, whether for the dinner table or the bedroom. Ava was dealing with the death of her mother, a recent move to Colorado from California, and now an encounter with the first shifter she has ever met. Though she knows that Colorado has many shifters compared to California, she just wasn't expecting to meet one on her first day upon arriving in the small town after moving in with her uncle. She also wasn't expecting to feel so strongly attracted to him... Candor was used to a certain stability in his life. That all shattered the day a group of rogue Shifters entered his territory and murdered his brother. Though his main priority is to protect his kin and rid his land of these invaders, he can't deny the way this human woman, Ava, is igniting something deep within him. The Baby Shift: Louisiana Her whole life is work. This Wolf Shifter is going to show her what living really is... Another writing assignment has Ella traveling to New Orleans to write a few travel pieces. She'll be looking at hot places to stay, restaurants to dine at, and different local venues to check out. Despite her commitment to her work, her attention is soon stolen when she meets Victor, owner of the B&B she is staying at. Her curiosity piqued, she decides to do a little innocent investigation of her own. She had no idea how quickly the stakes would turn up. The Baby Shift: Massachusetts When your life is making happily ever afters for other people, you forget that you deserve one yourself. Beryl had been called away to plan and conduct a wedding in less than a week. Though she had been assured that most of the details had already been planned, and that she would be compensated well for her rushed time, Beryl was only looking forward to the big day so she could finish this project and return home. But as she arrived in town, she came across a local festival that not only drew her attention, but also drew the attention of a young man

that she couldn't get off her mind. The Baby Shift: Nevada High art and a Wolf Shifter in Sin City. What could go wrong? There was only one thing Amelia was focused on right now, and that was surviving the onslaught of her new boss and all of his demands. Working under him as a writer for the only art magazine in Las Vegas, she had started to take on his pieces, having to do interviews when it wasn't convenient for her. But one such last minute interview led her into the life of Eli Kingston. Aurelia knew this wasn't going to be her day. A baby in the next family cube began screaming well before dawn. She then somehow managed to be late for work at the planetary hospital, earning her a stern reprimand from her supervisor. After another grueling shift, she was at her wits' end, on the verge of tears and dreading the idea of going home. Then she got kidnapped. Dominic was so sick of being sick. The sedatives coursed through his veins, dulling everything. He was dimly aware of Thalia bringing the new girl into the room, the low mumble of their conversation becoming clearer as he concentrated on it. It was exhausting. But if he didn't have the sedatives, he was a danger to the rest of the crew. At least until this chip could be removed from inside him. And that's where the new gal comes in... That's all Phillippe needs in order to save enough money and get out of town, start over in Montana with his best friend. But what Phillippe didn't plan on was falling in love with his best friend's younger sister. The more Phillippe gets closer to Brigid, the more complex his life becomes. And his life is already very complex. All Phillippe wants is a fresh start, a place where everything he does and sees doesn't remind him of his horrible childhood, how his parents condemned him as being cursed instead of recognizing what he was. A werebear. And his best friend Patrick has always been there for him, as equally a black sheep in his family. But what makes their friendship even more interesting is that Patrick is a werewolf. For ten years they had made this plan to leave town together, but now Phillippe wonders if he can really leave Brigid behind. Both lovers have things they are hiding as they get closer to each other. But Phillippe wonders if Brigid has a drug problem as he finds needles in her trash can and overhears her on the phone with someone who needs more money from her. Since Phillippe knew the relationship wouldn't last, he pushes Brigid away and soon she finds herself in danger. It takes Brigid being sent to the hospital for the two to finally discover their love for each other, and the truth behind all the secrets they've been hiding. Leo had been alone for a long time. Centuries, to be exact. Having decided to leave his pack behind, Leo set out to start a new life in a small town, employed as the local butcher to satisfy his lion's want of blood and tearing flesh. Leo couldn't ask for more in life until he discovered a huntress. Or more like she discovered him when her arrow sunk into the flesh of his shoulder as he traveled home from work one day in his lion form. Pain is all Aislinn has felt for the last week as she tried to recover from the passing of her father. Hunting in the woods has been the only thing to keep the pain at bay, until she discovered Leo in the woods in his lion form. Having never met a shifter before, Aislinn felt guilty for targeting Leo, but was quick to fix his wound. But as Leo left Aislinn alone in the woods, she couldn't help but follow him home. As Aislinn took the steps to enter Leo's life, she also took the steps to the rest of her future. The more time Leo and Aislinn spend together, the more they begin to feel connected to one another, but Leo has yet to feel the mate bond spring forth and claim Aislinn as his. Leo soon realizes that he will have to say goodbye to Aislinn since she isn't his mate in order to save them both from a lifetime of pain. But Leo is having a very hard time saying goodbye, and all for a very good reason. USA Today Bestselling Author Becca Fanning is proud to bring you this steamy lion shifter novella! Most are envious of what he has and what he's accomplished, but he will defend his Mate and rebuild his city against all odds, especially when a group of

Human Supremacists come after them! Gia Carosa is about to start her new job, as the administrative assistant to New Orleans's newly elected mayor, Brock Tandell. Brock's life is already interesting enough, being a Bear Shifter and all, but it's about to get downright exciting as an anti-shifter group turns violent. There's a natural divide between the paranormal and the human and mistrust is commonplace. So commonplace that The Human Order seems to have no trouble recruiting in its protest against shifters. But Brock and Gia will need to learn to trust each other in the face of unnerving odds if they are to escape this threat, and if there is going to be any chance of them finding love. Brock and Gia are left scrambling to defend their loved ones, and each other, in the face of a quickly growing threat that seems to be leaps and bounds ahead of them. To complicate matters the chemistry between them is sure to put "SCANDAL" in the headlines.
