The Hunter Mar 10 2022 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY RT BOOK REVIEWS The war for Scotland’s freedom continues as King Robert the Bruce battles on. At his command is an elite army of trained warriors, soldiers dedicated to their king, their country—and to the remarkable women they love. Prized for his unbeatable tracking skills, Ewen “Hunter” Lamont accepts a dangerous assignment: locate a missing undercover courier. But this is no ordinary target. Ewen has met his prey before as “Sister Genna,” a fiery, forbidden woman forever etched in his memory after one stolen, sinful kiss. Now that he knows her real identity, he’s more determined than ever to keep her safe. But without the protection of the veil between them, fighting the allure of the beautiful lass may be the toughest battle this extraordinary warrior has ever faced. After her ill-fated attempt three years ago to rescue her twin sister, Janet of Mar has found salvation acting as a royal messenger—until she surrenders to a darkly handsome warrior whose rough, sensual kisses stir feelings the woman in her can’t deny. But when betrayal leads to danger, and a crucial communiqué is put in jeopardy, Janet has no choice but to put her faith in the hunter who can find anything—perhaps even her heart. Air Power Mar 18 2020 No single human invention has transformed war more than the airplane—not even the atomic bomb. Even before the Wright Brothers’ first flight, predictions abounded of the devastating and terrible consequences this new invention would have as an engine of war. Soaring over the battlefield, the airplane became an unstoppable force that left no spot on earth safe from attack. Drawing on combat memoirs, letters, diaries, archival records, museum collections, and eyewitness accounts by the men who fought—and the men who developed the breakthrough inventions and concepts—acclaimed author Stephen Budiansky weaves a vivid and dramatic account of the airplane’s revolutionary transformation of modern warfare.
