We want to see better Officers within the fleet, and the way to do that is to create better Candidates who attend OCS. Topics Covered: A Full 10 week OCS Training Schedule (hour by hour, day by day) - What does it Mean to be a Marine Officer - What is Officer Candidate School - A typical day at OCS - A typical night at OCS - Punishments and

discipline at OCS - Your first steps for getting into OCS - How to increase your chances of acceptance - Reserve Contracts - Air Contracts - The ASTB examination - How long it will take to be accepted into OCS - How to prepare for OCS physically - The Physical Fitness Test - Combat Fitness Test - How to increase run times - How to increase pull ups - How to prepare for OCS Mentally - Rank Structure - Roles and responsibilities of each rank - History - Leadership Traits - JJ DID TIE BUCKLE - Leadership Principles - The General Orders of a Sentry - The Five Paragraph Order - 5 Paragraph Order Template - Suggested OCS Packing list - Tips from successful candidates and Officers - Final Advice to newly commissioned 2nd Lieutenants. Every police force in England and Wales uses the same national application form and assessment centre. This book tells you not just about the process, but what you need to do to impress the assessors. Now in a revised new edition to reflect the recent changes in the six core skills by which all police applicants are assessed, it provides: Have you ever contemplated the best way to explain the APR to a customer? Have you ever wished for a faster way to figure the number of months of escrows to collect? If you answered "YES!," The Loan Officer Guide has the answers to these questions and many more! Fredrick Williams presents a proven, practical system to help increase your understanding, efficiency, and productivity in the mortgage industry. Filled with specific instructions in an easy-to-read format, The Loan Officer Guide will help you understand and effectively complete each step of the mortgage loan process while maintaining compliance with federal regulations. You'll learn how to: *pre-qualify the borrower *take a complete loan application *read, analyze, and understand credit reports *collect and analyze the appropriate, supporting documentation *submit a loan that can be easily processed, underwritten, and closed. The Loan Officer Guide is the toolbox that allows the loan officer to improve productivity and efficiency, thus increasing profits. The book layout and the steps contained within each chapter correlate to the actual flow of a loan file from pre-qualification to closing. The author's intent is to offer a guide that is the essential resource within the

mortgage industry for mortgage brokers, loan officers, and loan processors. Lightweight body armor has been widely available for use by law enforcement personnel for more than 25 years. The dramatic reduction in officer homicides following the introduction of body armor attests to the protection it provides. This success story extends far beyond protection from handguns—an estimated 2,500 lives have been spared, including cases in which body armor prevented serious injuries to officers from other types of assaults or accidents. The National Institute of Justice² (NIJ) has developed standards for body armor performance through its Office of Law Enforcement Standards (OLES). The standard for ballistic resistance of body armor was developed 28 years ago and has gone through four revisions. In September 2000, NIJ introduced its standard for stab and puncture resistance of body armor. Body armor is tested as a part of the National Law Enforcement and Corrections Technology Center (NLECTC) voluntary equipment testing program to determine compliance with the NIJ standards, and NLECTC disseminates those test results and other pertinent information to the law enforcement and corrections communities. While body armor is a household word in the criminal justice community, questions about its selection and use are frequently asked. This guide responds to commonly expressed concerns. It provides information to help determine what level of protection is consistent with the threats to which individual officers are exposed. It also discusses armor selection from the variety of styles available, together with the proper care of armor in service. The NIJ standards are discussed in detail, as well as the use of the standards in armor procurement. In addition, the guide discusses administrative concerns, including the issue of replacing in service armor, and describes other sources of information. NIJ asks all departments to exercise prudent judgment in selecting armor appropriate to their needs. In so doing, NIJ urges proper attention to those factors that affect the wearability of armor in order to encourage routine, full-time use by all on-duty officers. The temptation to order armor that provides more protection than realistically needed should be resisted, because doing so may increase the likelihood that the

armor will not be worn routinely. This guide opens with a history of the development of body armor and background on the lives it has saved. The heart of the guide—how to proceed to select and purchase body armor—begins with chapter 6 and includes chapters explaining how to assess the level of protection needed, things to think about when selecting armor, and ways to keep it in proper working order. The Complete Guide for 'How to Attract Superstars' Recruiting & Hiring Executives Public Boards make many important decisions, but none more important than hiring a chief executive officer. Hiring a new executive officer is the most important decision a board will ever make. That decision should not be left to chance, it takes a great amount of preparation and work to recruit, hire, and select a new executive officer. THE COMPLETE GUIDE FOR RECRUITING AND HIRING EXECUTIVES "How to Attract Superstars" is a step-by-step guide on how to identify, attract and hire your next executive officer. Thomas Jacobson, CEO of McPherson & Jacobson L.L.C. has prepared a practical guide on how to identify, recruit, and hire not just your next executive officer, but one who is a superstar. In this book he has outlined how to: Identify the qualities your board wants in your new executive officer Assess the expectations of your stakeholders Develop appropriate promotional material to attract top candidates Advertise the vacancy to reach the best applicants Actively recruit quality candidates Develop the application procedures Screen candidates and conducting background checks Develop interview procedures & appropriate interview questions Establish interview and visitation schedules Establish annual performance objectives for the new executive officer Conduct a six-month and one-year evaluation of the new executive officer McPherson & Jacobson L.L.C., Executive Recruitment and Development, was founded in 1991 and is recognized as one of the top executive recruitment firms in the nation. Since its inception McPherson & Jacobson L.L.C. has assisted hundreds of public boards hire top level executives. They have developed a time tested and proven protocol that is outlined in this book. If any public board follows the steps outlined in this book they will be able to conduct a

successful search of an executive officer. The 2021 edition of the ultimate guidebook for those who want to become Officers in the United States Marine Corps. This book will teach you how to begin applying for OCS, what a successful application package looks like, tips to getting accepted, tips on preparing yourself fully for OCS, what to expect while there, and what to do in order to be successful and commission as a Second Lieutenant in the U.S. Marine Corps. Unlike most jobs, becoming a law enforcement officer involves far more than completing an application and interview. Agencies run their applicants through a comprehensive series of tests and exams, each designed to narrow the field of applicants to advance only those who are most qualified. This book is the new definitive guide to the Passing the Police Selection process. Includes the NEW Competencies and is the most informative guide available for serious candidates who want to become a UK police officer. For the first time, a book exists that compiles all the information candidates need to apply for their first Parole Officer job, or to apply for a better job. What

you'll find especially helpful are the worksheets. It is so much easier to write about a work experience using these outlines. It ensures that the narrative will follow a logical structure and reminds you not to leave out the most important points. With this book, you'll be able to revise your application into a much stronger document, be much better prepared and a step ahead for the next opportunity. The book comes filled with useful cheat sheets. It helps you get your career organized in a tidy, presentable fashion. It also will inspire you to produce some attention-grabbing cover letters that convey your skills persuasively and attractively in your application packets. After studying it, too, you'll be prepared for interviews, or you will be after you conducted the practice sessions where someone sits and asks you potential questions. It makes you think on your feet! This book makes a world of difference in helping you stay away from vague and long-winded answers and you will be finally able to connect with prospective employers, including the one that will actually hire you. This book successfully challenges conventional job search wisdom and doesn't load you with useful but obvious suggestions ('don't forget to wear a nice suit to your interview, ' for example). Instead, it deliberately challenges conventional job search wisdom, and in so doing, offers radical but inspired suggestions for success. Think that 'companies approach hiring with common sense, logic, and good business acumen and consistency?' Think that 'the most qualified candidate gets the job?' Think again! Time and again it is proven that finding a job is a highly subjective business filled with innumerable variables. The triumphant jobseeker is the one who not only recognizes these inconsistencies and but also uses them to his advantage. Not sure how to do this? Don't worry-How to Land a Top-Paying Parole Officer Job guides the way. Highly recommended to any harried Parole Officer jobseeker, whether you want to work for the government or a company. You'll plan on using it again in your efforts to move up in the world for an even better position down the road. This book offers excellent, insightful advice for everyone from entry-level to senior professionals. None of the other such career guides compare with this one. It stands out because it: 1) explains how the people doing

the hiring think, so that you can win them over on paper and then in your interview; 2) has an engaging, reader-friendly style; 3) explains every step of the job-hunting process - from little-known ways for finding openings to getting ahead on the job. This book covers everything. Whether you are trying to get your first Parole Officer Job or move up in the system, get this book. Law enforcement chooses only the best candidates. BECOMING A POLICE OFFICER will overwhelmingly improve your chances of getting hired. Learn about testing effectively, background investigations, true aspects of prior drug use, what the job really entails, salary and benefits, the application process, medical and psychological requirements and tests, agility tests, written tests, oral boards, polygraphs, and more. For the first time, a book exists that compiles all the information candidates need to apply for their first Probation Officer job, or to apply for a better job. What you'll find especially helpful are the worksheets. It is so much easier to write about a work experience using these outlines. It ensures that the narrative will follow a logical structure and reminds you not to leave out the most important points. This book covers everything. Whether you are trying to get your first Probation Officer Job or move up in the system, get this book. Clearly addresses the growing need to protect information and information systems in the global marketplace. Being a police officer is an incredibly important service to society. Every day, police men and women put their own lives at risk in order to keep the citizens of this nation safe. Law enforcement is one of the three major components of the criminal justice system in the United States, the other two being the courts and the correction facilities. As the common name of the profession suggests, the job is to ensure effective enforcement of the law and to strive to maintain balance and security in the country. Depending on the post to which a police officer is assigned, his or her job would range from protecting local citizens from public disturbances to investigating and finding solutions to national security threats. The government makes it a point to employ only those who are best-suited for the job and are able to maintain the integrity of the profession.

This is why the process of becoming a police officer is subject to a stringent application and selection process. Every requirement asked of you when you apply to become a police officer is intended to prove that you are competent and that you possess the right credentials and attitude towards law enforcement. Don't be daunted by the thought of the application process though. This book is designed to prepare you for the process of becoming a police officer and starting your career in law enforcement. This book is designed to be a quick read for any admissions officer in proprietary education, or anyone interested in becoming one. It maps out the admissions process, from A to Z and provides a great map for success. These tools have been used to train many Admissions officers in the past. The results: New AOs become good! Good AOs become great! Great AOs get promoted! It can do the same for you!
