While this book is indeed titled *How to Be a Husband*, please do not mistake it for a self-help book. Tim Dowling—columnist for *The Guardian*, husband, father of three, a person who once got into a shark tank for money—does not purport to have any pearls of wisdom about

wedded life. What he does have is more than twenty years of marriage experience, and plenty of hilarious advice for what not to do in almost every conjugal situation. With the sharp wit that has made his *Guardian* columns a weekly must-read, Dowling explores what it means to be a good husband in the twenty-first century. The bar has been raised dramatically in the last hundred years: back in the day, every time you went out for cigarettes, it was simply expected that you came back. Now, every time you're sent out for espresso pods and tampons, it is expected that you come back with the right sort. And being a father doesn't seem to command much innate respect these days, either. When his first child was born, Dowling imagined himself eliciting a natural awe as the distant, authoritative figurehead; he did not anticipate his children hijacking his Twitter account to post heartfelt admissions of loserdom like, "Hi, I suck at everything I try in life." Still, two decades of wedded bliss is nothing to sneeze at, particularly from a couple who agreed to get married with the resigned determination of two people plotting to bury a body in the woods. *How to Be a Husband* is a wickedly funny guide to surviving the era of "The End of Men" (hint: it involves DIY), and an unexpectedly poignant memoir about love, marriage, and staying together until death doth you part. Deacon wives receive helpful tips, relatable stories, and biblical insights to help them encourage and support a husband's work in the church. Have you ever thought about praying for your future husband? Will it make a difference? There's only one way to find out... From when we were small girls, most of us dream of "The One," our future husband. We think about what it would be like to be a bride. We wonder who that special guy is and

*when we'll find him. The great news is that what you do now can make a difference in your life and the life of your future husband! Authors and good friends Robin Jones Gunn (Christy Miller series) and Tricia Goyer (author and former teen mom) believe God answers women's prayers for husbands—even husbands they may not meet for years. They invite young women to pray boldly for their future mate ... while also asking God to prepare their own hearts. In *Praying for Your Future Husband*, Robin and Tricia share their two vastly different experiences, including the things they did right and the mistakes they made on the path to meeting and marrying their husbands. Each chapter includes helpful Bible verses, prayers, and practical application, along with true stories of women who prayed for a husband and how God answered in remarkable ways. God has a beautiful romance prepared for you. Prayer is the key to unlocking the love story ... with your future husband and with God, the lover of your soul. The art of being a good husband is not an easy one. This little guide was written for the middle classes of the 1930s who were reading one of the first modern self-help books. Illustrated with contemporary line-drawings, it contains advice by turns delightfully arcane and timelessly true, for example: Don't squeeze the tube of toothpaste from the top instead of from the bottom. This is one of the small things of life that always irritates a careful wife. Don't think that your wife has placed waste-paper baskets in the rooms as ornaments. Don't tell your wife terminological inexactitudes, which are, in plain English, lies. A woman has wonderful intuition for spotting even minor departures from the truth. Do cultivate the habit of coming down to breakfast with a smile. Remember that as the head of the house, it is your duty*

to see that everyone starts the day in an atmosphere of happiness. Don't criticise the food at your own table when you are entertaining and especially refrain from doing so before the servants. Most men want to be good husbands... they just don't know what being a good husband looks like. The Samurai Husband gives men a Biblical standard to live up to and teaches them how to be the husband God has called them to be. Matt Ulrich recaptures what it means to be a man and an effective leader in a marriage by simply, but powerfully, laying out the Biblical qualities found in Ephesians 5 that God calls husbands to embody. With a fresh and unique perspective, Matt parallels how samurai warriors once lived and how godly husbands should live in a way that restores the honor, sacrifice, and purpose of marriage. This book will undoubtedly shift the way men view and function in their role as a husband and gives them practical nuts and bolts ideas for day-to-day success in their marriage and life. Be the husband God has called you to be. Embrace the way of the Samurai Husband. Disability has a way of trying even the best of marriages. The cumulative effects of daily routines that never vary, social isolation, financial pressures, unmet expectations, and a life that is vastly different from most couples can wear on the spirits of the strongest husband and wife. Without Christ firmly in the center of the suffering, a spouse can crack under the pressure that disability brings to the marriage. Ken Tada, husband to Joni Eareckson Tada, shares that disability does not have to be the defining word in your marriage. Instead disability is an invitation for you and your spouse to depend on Jesus in your weakness, and grow closer to each other than you ever thought possible. Ken shares how spouses can

*openly communicate about needs, expectations, disappointments, and then ask God for the help you need. As you ask, the transforming love of Jesus will be poured into your own heart, so you can be poured out for your spouse. Be encouraged that God knows you and your spouse intimately, and promises that when you are weak, he is strong and will be an ever-present help in the trouble you are facing. The best gift any wise woman can give her husband in these days that we live in, is the gift of prayer; because the rate at which marriages are collapsing is amazing. Nine out of every ten marriages is breaking down. And a wife's prayers for her husband have a far greater effect on him than anyone else's. When there is a problem in marriage, most women instead of praying first, resort to other actions like complaining, nagging, arguing, criticizing, confronting, avoiding and other unpleasant methods. But you must realize that praying first is the best way to resolve a conflict in marriage. Because most problems in marriages are caused by wicked spiritual forces; people attributes the crisis in marriage to incompatibility or disagreements, but it is actually Satan who is behind the woes in families. He had determined to cause havoc in homes, he would do anything or pay any price to shatter a home. Quite a number, even in the church, are victim of this demonic onslaught against marriage. Some woman wish they were never married; anytime you sense any animosity rising up between you and your husband, know that Satan is at work. Therefore, resist him steadfastly by your prayers. God has given you authority over all the power of the enemy and you can do great damage to the enemy's plan when you pray. You can pray and disallow anything from destroying your marriage. Your prayer can strengthen,*

*empower and deliver your husband, your prayer can pull down every invisible wall standing between you and your husband; you can disallow confusion, miscommunication, wrong habit and bad choices from destroying your marriage. Don't allow demonic manipulation and control to lead your marriage to divorce. You can pray and take a stand against any negative influences in your marriage relationship. Through your prayer, you can stop the evil and release protection of God. When you pray, whatever controls your husband like, satanic bondages, bewitchment, strange woman, demonic-in-law, alcoholism, depression, anxiety, sexual lust, evil power in his family home, laziness and fear can be destroyed upon his life and he can be totally set free. Don't write off the marriage, God can change your husband, don't leave your marriage to chance, you can fight for your husband in prayer and not give up, because as long as you are praying, there is hope and victory. *When members of the early church cried out to God in urgent need, the place shook with the power of their supplication. In this compelling vision for modern-day supplication, Bill Gothard recognizes the key truth that only God's almighty power can rescue His children in times of distress. Using illustrations from Scripture and testimonies from everyday people, Gothard demonstrates the power of crying out—and how God can shake the world of those who cry out to Him today. This is an educational book for those who are in a relationship, whether they are married or not. If relationships are not solved and if people are not educated about relationships, this world will never be at peace because it is all because of relationships.
